

You weren't born a
**water garden
expert.**
That's why we're here.

TetraPond makes your life a lot easier. We offer all the products and know-how you need to create and maintain your pond, from biofilters, UV clarifiers and XAVAN® lightweight liners, to pumps, water and fish treatments, and the world's most popular pond foods. Plus, our TetraPress water gardening books are overflowing with great ideas. For a free catalog and information on a TetraPond retailer near you, call **800-526-0650**.
